

Your Prime HR Partner

CLOUD BASED PAYROLL PROCESSING ERP

Its time to say goodbye to duplication, confusion of excel files, delay in payday and inconsistencies! Start processing through BizHRS creating savings in costs, accurate data & improved transparency.

BizHRS is hosted on AWS cloud & server. Data security and integrity is has been well taken care of through various protocols like encryption, access rights distribution, grid architecture etc. We are also open to do customisations that can be made generic in nature leading to continuous improvements.
